U. Pennsylvania	19	19	17	21	20	35,258,073	20

NOTES: Included are University Research Libraries located in United States only. Institutions are listed in descending order of current operating expenditures for 2006-07. Law and Medical library statistics (if applicable) are included if they are located on the main campus or within a reasonable commuting distance. Therefore, Cornell's figures exclude the Medical College library located in New York City.
